A B O U T C O U R S E :

We are thrilled to extend a warm invitation to you for the CSR Master Class in Mumbai, a premium workshop dedicated to the noble pursuit of Corporate Social Responsibility. This transformative program is carefully crafted to be an immersive and enriching experience, aiming to empower both organizations and individuals with the knowledge and tools needed to harness the true potential of CSR initiatives for a sustainable and socially responsible future.

In an age where corporate responsibility plays a pivotal role in shaping our communities and environment, this Master Class emerges as a beacon of knowledge and inspiration. It promises not just to explore the nuances of CSR but to elevate your understanding and approach towards it. We believe that together, we can unlock the immense power of CSR to create lasting positive change, both in the corporate world and the society we serve.

OBJECTIVES:

- Support NGOs, Institutes, and Agencies in enhancing their capacity for CSR partnerships.
- Assist in self-assessment for funding resources, identifying core strengths for sustainable shared value.
- Foster due diligence and future readiness for improved social and ethical organizational performance.
- Empower leaders in the CSR and Sustainability domain, driving development and impact.

WHY ATTEND?

- **Expert Insights:** Learn from leading expert and practitioner in the CSR domain who will share their knowledge, experiences, and best practices.
- **Practical Workshops:** Engage in hands-on workshops, case studies, and interactive sessions to develop practical CSR strategies.
- **Networking Opportunities:** Connect with like-minded professionals & development sector leaders.
