About Programme:

We have observed that many FCRA registered organizations are not able to channelize foreign fund due to scarcity of competent staff within the organization and lack of awareness regarding multi lateral, bilateral international aid agencies and donors & their systems.

This workshop is designed to sensitize the FCRA registered and FCRA willing to register organizations on various provisions pertaining to FCRA-2010 Act, FCRR-2011 and its related amendments and notifications.

We will also discuss possible partnership opportunities with International aid agency and foreign donors. This workshop will inspire participants to think beyond compliances and leverage potential of organization in true sense.

What You'll Gain:

FCRA Demystified: Learn the ins and outs of obtaining FCRA Registration, FCRA Renewal, Prior Permission and discover practical solutions to overcome common hurdles.

Navigating Government Policies: Gain crucial insights into government policies related to foreign donations and what NGOs must know to ensure compliance.

Funds Management and Compliance: Understand the regulations and restrictions that apply to funds for Registered Organizations, and the importance of maintaining accounts.

Audit Excellence: Discover the steps for conducting a seamless audit of accounts for FCRA-registered entities.

What You'll Gain:

Handling Inspections: Prepare for and effectively manage inspections by the Intelligence Bureau to safeguard your organization's interests.

Consequences and Solutions: Learn about the potential consequences of violating foreign donations laws and how to respond if you receive a notice or show cause notice.

Foreign Funding Opportunities: Explore the world of various foreign funding opportunities and an introduction to foreign funding agencies.

International Partnerships: Uncover the pathway to developing international partnerships and collaborations to amplify your organization's impact.

Who Should Participate?

This workshop is for those interested in FCRA Registration, Renewal, Prior Permission including staff and management from Associations, NGOs and Educational Institutions

FCRA-registered organizations aiming to enhance compliance and explore international funding opportunities will find this workshop beneficial.
